## About Your Benefit Plan

Your benefit plan is sponsored by the IATSE Local 873 Health and Welfare Trust. The Trust was established on November 17th, 2011 and assumed responsibility for health and welfare benefits for the members of Local 873 on January 1st, 2012.

The basic eligibility requirement for benefit coverage is membership in good standing as determined by the constitution of IATSE Local 873.

The IATSE Local 873 Health and Welfare Trust has five trustees including the elected President and Treasurer and three Trustees elected at large, by the membership.

The benefit plans are primarily funded by employer contributions under contracts negotiated by IATSE Local 873. The plan has three benefit levels: **membership benefits** including life, accidental death and dismemberment, critical illness and a family and employee assistance plan are available to all members in good standing, **working benefits** including short term disability and vision benefits and **extended health benefits** including dental, drug paramedical and hospitalization. All benefits require membership in good standing in the Local. Extended health benefits require producer contribution and/or member contributions.

Life insurance, travel, dental, health and short term disability are underwritten or adjudicated by Great-West Life. Critical illness and accidental death and dismemberment are underwritten by ACE INA Insurance and family and member assistance are delivered by Family Services.

J & D Benefits Inc provides group benefits administrative services to the plan.

This benefit booklet deals with the benefits provided by Great-West Life. The other benefit provider booklets are available on the union website and at the union office.

## **Access to Documents**

You have the right, upon request, to obtain a copy of the policy, your application and any written statements or other records you have provided to Great-West Life as evidence of insurability, subject to certain limitations.

## **Legal Actions**

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the Insurance Act or other applicable legislation (e.g. *Limitations Act, 2002* in Ontario, Quebec Civil Code).

## **Appeals**

You have the right to appeal a denial of all or part of the insurance or benefits described in the contract as long as you do so within one year of the initial denial of the insurance or a benefit. An appeal must be in writing and must include your reasons for believing the denial to be incorrect.

## **Benefit Limitation for Overpayment**

If benefits are paid that were not payable under the policy, you are responsible for repayment within 30 days after Great-West Life sends you a notice of the overpayment, or within a longer period if agreed to in writing by Great-West Life. If you fail to fulfil this responsibility, no further benefits are payable under the policy until the overpayment is recovered. This does not limit Great-West Life's right to use other legal means to recover the overpayment.

We may exchange personal information with your health care providers, your plan administrator, any insurance or reinsurance companies, administrators of government benefits or other benefit programs, other organizations, or service providers working with us or the above when relevant and necessary to administer the plan.

- You and your dependents will be covered when you are advised by J&D that your coverage is effective.

You may waive health and/or dental coverage if you are already covered for these benefits under another plan.

- To be eligible for coverage, you must be a member of I.A.T.S.E. Local 873 in good standing. The term "in good standing", as used in the Constitution and By-Laws of I.A.T.S.E. Local 873, means that you have fully complied with all obligations to the Local, not only financially, but in all other respects as well.

Your coverage terminates on the effective date of the change/ event in which you cease to be a member in good standing with Local 873 or when you are no longer eligible, you stop making the required contributions, or the plan terminates, whichever is earliest.

- Your dependents' coverage terminates when your coverage terminates or your dependent no longer qualifies, whichever is earlier.
- If your coverage terminates or in the event of your death, an extension of benefits may be provided under the plan. Details are available through your plan sponsor.

### Survivor Benefits

If you die while your coverage is still in force, the Healthcare, Global Medical Assistance and Dentalcare benefits for your dependents will be continued for a period of 2 years or until they no longer qualify, whichever happens first.

## DEPENDENT COVERAGE

Dependent means:

- Your spouse, legal or common-law.

A common-law spouse is a person who has been living with you in a conjugal relationship for at least 12 months or, if you are a Quebec resident, until the earlier birth or adoption of a child of the relationship.

- Your unmarried children under age 21, or under age 25 if they are full-time students.

**Note:** If you are a Quebec resident, full-time students are covered for prescription drug benefits until age 26.

Children under age 21 are not covered if they are working more than 30 hours a week, unless they are full-time students.

Children who are incapable of supporting themselves because of physical or mental disorder are covered without age limit if the disorder begins before they turn 21, or while they are students under 25, and the disorder has been continuous since that time.

## **BENEFICIARY DESIGNATION**

You may make, alter, or revoke a designation of beneficiary as permitted by law. You should review any beneficiary designation made under this policy from time to time to ensure that it reflects your current intentions. You may change the designation by completing a form available from your employer.

## **MEMBER BASIC LIFE INSURANCE**

On your death, Great-West Life will pay your life insurance benefits to your named beneficiary. If you have not named a beneficiary or there is no surviving beneficiary at the time of your death, payment will be made to your estate. Your plan sponsor will explain the claim requirements to your beneficiary.

- Your life insurance terminates when you reach age 75.
- If any or all of your insurance terminates before age 75, you may be eligible to apply for an individual conversion policy without providing proof of your good health. You must apply and pay the first premium no later than 31 days after your group insurance terminates. See your plan sponsor for details.

## OPTIONAL LIFE INSURANCE

Optional Life Insurance allows you to choose additional coverage for yourself and your spouse. Check the **Benefit Summary** for the amount of Optional Life Insurance available. When you apply for Optional Life Insurance, you must provide proof of insurability, and the application must be approved by Great-West Life. However, you and your spouse may each purchase up to \$30,000 of Optional Life Insurance without providing proof of insurability if you apply for coverage within 31 days of the first plan enrolment period.

If you or your spouse dies within two years after applying for Optional Life Insurance, Great-West Life has the right to verify any medical information you or your spouse provided. If any inconsistencies are discovered, the claim will be denied and any premiums paid will be refunded.

On your death, Great-West Life will pay your life insurance to your named beneficiary. If you have not named a beneficiary or there is no surviving beneficiary at the time of your death, payment will be made to your estate. Your plan sponsor will explain the claim requirements. If your spouse dies you will be paid the amount for which he or she was insured.

- If your or your spouse's optional life insurance terminates, you or your spouse may be eligible to apply for an individual conversion policy without providing proof of insurability. You must apply and pay the first premium no later than 31 days after your group insurance terminates. See your plan sponsor for details.
- Your optional life insurance terminates when you reach age 70. Your spouse's coverage terminates at the same time, or when he or she reaches age 70 or is no longer your spouse, whichever comes first.

### Limitation

No benefit is paid for suicide within the first two years of initial or increased optional life coverage. In such a situation, Great-West Life refunds the premiums that have been received.

## HEALTHCARE

**You are covered for Healthcare only if you have enrolled for it with IATSE Local 873 Health and Welfare Trust.**

Treatment is considered reasonable if it is accepted by the Canadian medical profession, it is proven to be effective, and it is of a form, intensity, frequency and duration essential to diagnosis or management of the disease or injury.

Except to the extent otherwise required by law, your Healthcare coverage terminates when you reach age 75.

### **Covered Expenses**

The plan will also pay for preventative immunization vaccines and toxoids.

Unless the prescriber has prescribed a drug by its brand name and has specified in writing that the product is not to be interchanged, the plan will cover only the cost of the lowest priced equivalent generic drug.

For drugs eligible under a provincial drug plan, coverage is limited to the deductible amount and coinsurance you are required to pay under that plan.

Coverage for travel within Canada is limited to emergencies arising more than 500 kilometres from home. You must be covered by the government health plan in your home province to be eligible for global medical assistance benefits. The following services are covered, subject to Great-West Life's prior approval:

- On-site hospital payment when required for admission, to a maximum of \$1,000
- If suitable local care is not available, medical evacuation to the nearest suitable hospital while travelling in Canada. If travel is outside Canada, transportation will be provided to a hospital in Canada or to the nearest hospital outside Canada equipped to provide treatment

Coverage is provided only when the return fare is not refundable. A rental vehicle is not considered prearranged, prepaid return transportation

Benefits will not be paid for vehicle return if transportation reimbursement benefits are paid for the cost of comparable return transportation home

Benefits payable for moderate quality accommodation include telephone expenses as well as taxicab and car rental charges. Meal expenses are not covered.

## **Out-Of-Country Emergency Care**

The plan covers medical expenses incurred as a result of a medical emergency arising while you or your dependent is outside Canada for vacation, business or education purposes. To qualify for benefits, you must be covered by the government health plan in your home province.

A medical emergency is a sudden, unexpected injury or an acute episode of disease.

- The following services and supplies are covered when related to the initial medical treatment:

If your medical condition permits you to return to Canada, benefits will be limited to the amount payable under this plan for continued treatment outside Canada or the amount payable under this plan for comparable treatment in Canada, plus return transportation, whichever is less.

- Any portion of services or supplies which you are entitled to receive, or for which you are entitled to a benefit or reimbursement, by law or under a plan that is legislated, funded, or administered in whole or in part by a government ("government plan"), without regard to whether coverage would have otherwise been available under this plan

In this limitation, government plan does not include a group plan for government employees

This limitation does not apply to Global Medical Assistance

- Expenses arising from war, insurrection, or voluntary participation in a riot
- Podiatric treatments for which a portion of the cost is payable under the Ontario Health Insurance Plan (OHIP). Benefits for these services are payable only after the maximum annual OHIP benefit has been paid

**Note:** If you are age 65 or older and reside in Quebec, you cease to be covered under this plan for basic prescription drug coverage and are covered under the basic plan provided by the *Régie de l'assurance-maladie du Québec*, unless you elect to be covered under this plan as set out below.

### **How to Make a Claim**

- **Out-of-country claims (other than those for Global Medical Assistance expenses)** should be submitted to Great-West Life as soon as possible after the expense is incurred. It is very important that you send your claims to the Great-West Life Out-of-Country Claims Department immediately as your Provincial or Territorial Medical Plan has very strict time limitations.

Access GroupNet for Plan Members to obtain a personalized claim form or obtain form M5432 (Statement of Claim Out-of-Country Expenses form) from your plan sponsor. You must also obtain the Government Assignment form, and residents of British Columbia, Quebec and Newfoundland & Labrador must also obtain the Special Government Claim form. The Great-West Life Out-of-Country Claims Department will forward the appropriate government forms to your attention when required.

You should complete all applicable forms, making sure all required information is included. Attach all original receipts and forward the claim to the Great-West Life Out-of-Country Claims Department. Be sure to keep a copy for your own records. The plan will pay all eligible claims including your Provincial or Territorial Medical Plan portion. Your Provincial or Territorial Medical Plan will then reimburse the plan for the government's share of the expenses.

Out-of-country claims must be submitted within a certain time period that varies by province or territory. For the claims submission period applicable in your province or territory or for any other questions or for assistance in completing any of the forms, please contact Great-West Life's Out-of-Country Claims Department at 1-800-957-9777.

- **Claims for expenses incurred in Canada, for paramedical services**, may be submitted online. To use this online service you will need to be registered for GroupNet for Plan Members and signed up for direct deposit of claim payments with eDetails. For online claim submissions, your Explanation of Benefits will only be available online.

Online claims must be submitted to Great-West Life as soon as possible, but no later than 6 months after you incur the expense.

You must retain your receipt for 12 months from the date you submit your claim to Great-West Life as a record of the transaction, and you must submit it to Great-West Life on request.

- **For all other Healthcare claims**, access GroupNet for Plan Members to obtain a personalized claim form or obtain form M635D from your plan sponsor. Complete this form making sure it shows all required information.

Attach your receipts to the claim form and return it to the Great-West Life Benefit Payment Office as soon as possible, but no later than 15 months after you incur the expense.

- **For drug claims**, your plan sponsor will provide you with a prescription drug identification card. Present your card to the pharmacist with your prescription.

Before your prescription is filled, an Assure Claims check will be done. Assure Claims is a series of seven checks that are electronically done on your drug claim history for increased safety and compliance monitoring. This has been designed to improve the health and quality of life for you and your dependents. Checks done include drug interaction, therapeutic duplication and duration of therapy, allowing the pharmacist to react prior to the drug being dispensed. Depending on the outcome of the checks, the pharmacist may refuse to dispense the prescribed drug.

When your coverage ends, return your direct pay drug identification card to your plan sponsor.

## DENTALCARE

**You are covered for Dentalcare only if you have enrolled for it with IATSE Local 873 Health and Welfare Trust.**

A deductible may be applied before you are reimbursed. All expenses will be reimbursed at the level shown in the **Benefit Summary**. Benefits may be subject to plan maximums and frequency limits. Check the **Benefit Summary** for this information.

**Covered expenses will not exceed customary charges.**

The plan covers customary charges to the extent they do not exceed the dental fee guide level shown in the **Benefit Summary**. Denturist fee guides are applicable when services are provided by a denturist. Dental hygienist fee guides are applicable when services are provided by a dental hygienist practising independently.

All covered services and supplies must represent reasonable treatment. Treatment is considered reasonable if it is recognized by the Canadian Dental Association, it is proven to be effective, and it is of a form, frequency, and duration essential to the management of the person's dental health. To be considered reasonable, treatment must also be performed by a dentist or under a dentist's supervision, performed by a dental hygienist entitled by law to practise independently, or performed by a denturist.

Your Dentalcare coverage terminates when you reach age 75.

### **Treatment Plan**

- Before incurring any large dental expenses, or beginning any orthodontic treatment, ask your dental service provider to complete a treatment plan and submit it to the plan. ## **HEALTH CARE SPENDING ACCOUNT (HCSA) – Health SolutionsPlus**

A Health Care Spending Account (HCSA) is an account through which you may be reimbursed for healthcare and dental expenses up to a predetermined annual credit amount. Your plan sponsor will establish the credits for your account prior to each plan year. These credits may be used to cover expenses not covered by group health plans or to top-up expenses not fully covered by group health plans, including deductibles and co-payment amounts. Also, since annual credits are in the form of before tax dollars, the HCSA is a tax-effective way of paying for your health-related expenses.

How will I know the balance of my HCSA account?

To check your current account balance, contact a customer service representative at Great-West Life toll-free at 1-877-883-7072. Hours of service are 7 a.m. to 6 p.m. CST for service in English and 7 a.m. to 5 p.m. CST for service in French.

### **How to Make a Claim**

You have the option of submitting a claim by using the Health SolutionsPlus card, or by using the Health SolutionsPlus claim form.

The Health SolutionsPlus card is made available to you for use for covered expenses in accordance with the terms and conditions set out in your cardholder agreement.

You may submit a claim against the HCSA plan first, or you may choose to first submit it to a government plan or another private insurance plan under which you or any eligible dependents are covered. If other plans have paid first, you may submit a claim for any remaining balance of the expense to the HCSA plan, using the Health SolutionsPlus claim form.

If you use the Health SolutionsPlus card:

- For drug expenses, you must first use your Pay Direct drug card to claim benefits from your basic plan. You would then use your Health SolutionsPlus card to claim benefits for any balance from your HCSA plan

- For dental expenses for which your dental office submits your claim electronically, your claim will be considered first under your basic plan. You would then use your Health SolutionsPlus card to claim benefits for any balance from your HCSA plan
- For other expenses, your claim will be considered first under your HCSA plan, even though a portion of the expense may be covered under the basic plan sponsored by your plan sponsor

If you choose to use your Health SolutionsPlus card to pay for an expense, the amount will be drawn from the credits in your account whether or not coverage is available for the expense under another plan. However, if the expense would have been partially or completely covered under the basic plan sponsored by your plan sponsor, you may submit a claim for the expense to the basic plan.

The amount that would have been paid under the basic plan may be credited back to your account and paid instead under the basic plan if:

- No other coverage is available for that expense except under the basic plan, or
- Other coverage is available for that expense under another plan, but the basic plan would pay benefits before the other plan

Using the Health SolutionsPlus card:

- You must activate the card in order to use it, following the card activation instructions on the card
- To use your card to pay for prescriptions, you must activate your card at least one full business day before ordering or dropping off a prescription at the pharmacy

- The card is intended for use in Canada and can only be used at merchants who accept VISA<sup>®</sup>, and are included in the Health SolutionsPlus approved provider network
- The card will not work at automated teller machines (ATMs) or retail stores
- The card will not work if the expense exceeds your current account balance. Ask your provider if you can split the cost at the register. Use the balance on your card, and then pay the remaining amount using another method of payment
- You must retain your receipt for 12 months from the date you submit your claim to Great-West Life as a record of the transaction, and you must submit it to Great-West Life on request
- Great-West Life may, in its own discretion, suspend or terminate the use of your Health SolutionsPlus card at any time, with or without cause, and without prior notice
- If your card is lost or stolen, notify your plan administrator immediately by contacting a customer service representative at Great-West Life toll-free at 1-877-883-7072
- If your card is declined, use the claim form option

Using the Health SolutionsPlus claim form:

If you elect to use the claim form, use form M445D(HSPT) for dental claims, and form M635D(HSPT) for all other claims.

Claim submission deadlines:

Claims against the HCSA must be submitted to the Great-West Life Benefit Payment Office before the earliest of the following:

- 120 days after the end of the plan year in which the expenses are incurred
- the date the HCSA contract terminates, if it terminates because your plan sponsor fails to make a required payment
- 31 days after the date the HCSA contract terminates, if it terminates for any other reason

### **Eligibility**

You and your dependents are eligible for HCSA credits through your plan sponsor if you are covered for basic healthcare benefits under your or your spouse's group health plan. In addition to the dependents eligible for coverage under your basic health plan, HCSA benefits are extended to any other person for whom you are entitled to claim a medical expense tax credit under the Income Tax Act (Canada).

### **Termination**

Your HCSA coverage terminates when your basic healthcare coverage terminates or when your plan sponsor discontinues the plan.

Your dependents' HCSA coverage terminates when your coverage terminates or when they no longer qualify, whichever is earlier.

### **Covered Expenses**

Coverage is provided for those expenses:

- that qualify for a medical expense tax credit under the Income Tax Act (Canada), as may be amended from time to time, or
- that Great-West Life deems to be eligible medical expenses under a private health services plan, as defined by the Income Tax Act (Canada), as may be amended from time to time.

Please refer to the Canada Revenue Agency website for information on medical expenses that qualify for the medical expense tax credit under the Income Tax Act (Canada). For additional information on covered expenses, contact a customer service representative at Great-West Life toll-free at 1-877-883-7072.

Benefits will be paid for 100% of covered expenses that are incurred while you and your dependents are covered, up to a maximum annual payment equal to the credits in your HCSA. Dental expenses, other than orthodontic expenses, are considered to be incurred when treatment is completed. Orthodontic expenses are considered to be incurred on a periodic basis throughout the course of treatment. All other expenses are considered to be incurred when you or your dependent receives the service or supply.

Credits are available for covered expenses incurred in a plan year. Any remaining credits will be carried forward for covered expenses incurred in the following plan year. If they are not used for expenses incurred in that plan year, they are automatically forfeited.

The maximum annual payment available under your account will consist of the amount of the credit directed to it for the plan year plus any unused amount from the previous year.

## **Limitations**

No benefits are paid for:

- Expenses that private benefit plans are not permitted to cover by law
- Services or supplies you are entitled to without charge by law or for which a charge is made only because you have coverage under a private benefit plan
- Any portion of the expense for services or supplies for which benefits have been paid under your basic health plan, another group plan or a government plan

## COORDINATION OF BENEFITS

- Benefits for you or a dependent will be directly reduced by any amount payable under a government plan. If you or a dependent are entitled to benefits for the same expenses under another group plan or as both a member and dependent under this plan or as a dependent of both parents under this plan, benefits will be co-ordinated so that the total benefits from all plans will not exceed expenses.
- You and your spouse should first submit your own claims through your own group plan. Claims for dependent children should be submitted to the plan of the parent who has the earlier birth date in the calendar year (the year of birth is not considered). If you are separated or divorced, the plan which will pay benefits for your children will be determined in the following order:
  1. the plan of the parent with custody of the child;
  2. the plan of the spouse of the parent with custody of the child;
  3. the plan of the parent without custody of the child;
  4. the plan of the spouse of the parent without custody of the child

You may submit a claim to the plan of the other spouse for any amount which is not paid by the first plan.
